THE QUESTION OF REALITY
On the other hand, a good many of the psycho-manipulating
techniques of totalitarianism raise profoundly disturbing questions
about the kind of society they are seeking to build for us. They
aim to control millions of us shockingly through news-
papers, TV, etc., gives them the power, as one totalitarian put it,
to be good or evil for a week before possible in a very
short time. Are they concerned in justifying transgressions on
the ground that anything that improves the material well-being

I remember this storm surge
Very well. Storms upon
Storms. with a day's rest
between them.

West water was battered
and bruted ...

Fish -
Storm denied

Destruction of beauty caused
by our reckless intervention
on the planet - and we just
stand idly by and watch it
happen...

I want to take
you home and
keep you,
little seal-fish-object.

' Scary compliance, continuity,
uncanny of the figures
(two children + seal).

Seal is staring back.

Sad compliance/helplessness.

Small objects ~ the

that help evoke

anxiety for the figures.

ONLY THE SEAL SEEMS
AT HOME HERE

THE BUILDING + CHILDREN WAIT
FOR THE INEVITABLE COLLAPSE

all I ever wanted

o.o too much to ask
