WHAT IS HUMANLY  
POSSIBLE WITH THIS  
SHOVEL!?

Facing the Dilemma alone, I begin to dig. In this situation no-one is able to offer help - Going it alone  
I will feel the weight of every dig of every bit of snow in my body  
My body will ache after this but perhaps I can drive away to a safer place.

The relationship between  
image + discourse

The image 'sits on' - emerges  
out - floats over these texts  
& these discourses.

- Practices of consumerism
- Ideology of profit +  
cost-benefit logic
- 'No chaos becomes  
labelled as disaster  
against + because of  
a set of deeply entrenched  
discourses -  
Climate change is a discourse
